Keeping Brook Meadows Beautiful!

“I believe we have a truly beautiful neighborhood” – Craig Vaughn

We all agree! See Craig’s message on the next page; and don’t miss this month’s opportunities to meet and visit with your neighbors at Last Tuesday, Grape Nuts Wine Club or the Book Club.

Message from Craig

By Craig Vaughn, BMHA President

I would like to take this opportunity to say I believe we have a truly beautiful neighborhood. The Brook Meadows H.O.A. Board works with all neighbors to maintain the standards set forth in the Brook Meadows Covenants, Conditions and Restrictions, CC&Rs. The Board has revived increased number complaints of violations. I wish to remind all of our restrictions regarding the parking of boats or trailers of any kind in driveways where they are visible from the street. Complaints have also been received regarding the maintenance of ground cover and landscaping in general including but not limited overgrown weeds, vines and hedges. It benefits us all to maintain these standards for our community.

Please feel free to contact the Board with any questions regarding CC&R compliance and actions.

Thank You
Craig Vaughn

Sep 27 - Last Tuesday

By Brett Flournoy

August is traditionally our slowest Last Tuesday of the year, and realizing that, we went for simple, by gathering in the Whole Foods bar area for pizza and beverages. And sure enough, we had a very light turnout, but those that came hung around till past 9pm as we had just a really good time! It's all about good conversation, and we sure had some!

September is our kickoff of the Fall Patio Season, and we're headed to a place that has caught all our attention. **Crabs and Craft**, here we come for **Sept 27th**! See you there, and be on the lookout for our email announcement.

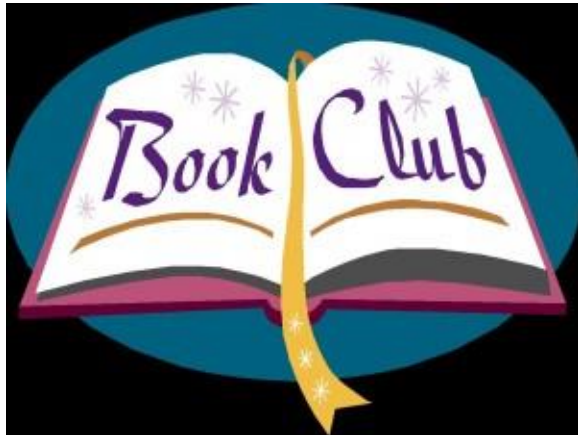

(Editor's note: We ate there recently and were very impressed. They had 174 different beers and 42 big TV screens. If only there were football games on Tuesday night!)

Oct. 2 - BMHA Book Club

By Stacey Taylor

The book club will be meeting on **Sunday, October 2nd** at the home of **Shelley Haaker at 6PM** to discuss *The Boys in the Boat* by Daniel James Brown. Centered around the life of Joe Rantz - a farmboy from the Pacific Northwest who was literally abandoned as a child - and set during the Great Depression, *The Boys in the Boat* is a character-driven story with a natural crescendo that will have you racing to the finish. In 1936, the University of Washington's eight-oar crew team raced its way to the Berlin Olympics for an opportunity to challenge the greatest in the world.

The selection for November is *The Storied Life of A.J. Fikry* by Gabrielle Zevin. The date, time, and place for that meeting have yet to be established.

Oct 8 - Grape Nuts

By Brett Flournoy

Our next Grape Nuts wine club event is **October 8th**, at the home of **Rich and Mary Schreder, 4814 Shadywood Lane, at 7:00PM**, and the theme is Italian Chiantis, Sangioveses and Proseccos. Politically incorrect, yes, but some of the ladies wanted Proseccos darn it! Ask and ye shall receive. As a part of the tasting, we will be conducting a simple food pairing experiment, the reason being that Chianti is not so much a "cocktail" wine, as it is a wine to serve with certain foods. Let's experiment!

Teenage Job Seekers

Each month the newsletter includes a list of teenagers in the neighborhood seeking employment; i.e. baby-sitting, yard work or pet care. With so many new people moving into the neighborhood this is a great reference for anyone in need of such a service. If you or your child is looking for a job in the neighborhood, please provide your information including name, age, telephone number, email and the job being sought. We'll include in the next and future issues of the e-newsletter.
