4506 Shadywood Lane Has New Owners!

By Bridget Moore

David and Leslie Shammass recently moved here from the California Bay Area, and found Colleyville to be the perfect home base and halfway point between their Fort Worth (hers) and Irving (his) jobs. Leslie is the VP of Design and Development for Canyon Ranch Wellness Resorts and David is a regional real estate manager for McDonalds. They both love world travel, cooking, wine, and throwing dinner parties! They have two adult children: **Daniel** is an elementary school teacher in Oakland, California, and **Andrea** is a sophomore at Colorado State, studying Health & Exercise Science, along with Dance. They've already noticed how super friendly everyone is, so let's continue to show them the love and give a warm welcome to the Shammass family. We're glad you're here!

May 20 - BMHA Book Club

By Stacey Taylor

The book club will meet **May 20th** at 6:00 PM at the home of **Bridget Moore & Scott Bulger 4500 Shadycreek Lane** to discuss "Pandora's Lab" by Paul A. Offit, M.D. What happens when ideas presented as science lead us in the wrong direction? History is filled with brilliant

ideas that gave rise to disaster, and this book explores the most fascinating -- and significant-- missteps. Published by National Geographic and promoted by National Public Radio, this book will shock and enlighten you. Learn what horrors are likely lurking right in your own home....

The **June 17th** meeting will be at 6:00 PM at the home of **Tony and Alice Elkins 4613 Green Oaks Drive**. We will discuss "The Cruellest Month" by Louise Penny. Welcome to Three Pines, where the cruelest month is about to deliver on its threat. It's spring in the tiny, forgotten village; buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life .. When some villagers decide to celebrate Easter with a séance at the Old Hadley House, they are hoping to rid the town of its evil—until one of their party dies of fright. Was this a natural death, or was the victim somehow helped along? Brilliant, compassionate Chief Inspector Armand Gamache of the Sûreté du Québec is called to investigate, in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem.

Please join us for rousing conversation, good wine, and usually lots of laughter! Stacey Taylor Stacey.1965@yahoo.com

May 29 – Last Tuesday

By Brett Flournoy

March Last Tuesday - we learned a lot about ourselves. "It's the categories, stupid!" Some knew geography. Some knew millennial music. No one it seems knew it all! We had a great time at the authentic English pub, The Londoner.

April's Last Tuesday at the Black Walnut, held on the patio under perfect weather, was a super time for the 13 or so in attendance. We will be back.

For May, we return to an old fave: **Flips Patio Grill - 415 W State Hwy 114** in Grapevine. Some of the (arguably) best burgers and (no argument) best house made potato chips in DFW. Plan to attend; the events at Flip's are always robust!

GrapeNuts – Do we have a host or hostess?

By Brett Flournoy

We seek a host/hostess for our next event, and a timeframe! We very much like to include the hosting team in the theme, but suggestions thus far have included summer whites, summer rose's, Texas Wines, and the wines of Alsace, France (whites). All would be fun, and educational, so just put that hand in the air, and we'll make it happen. Please let me know if you are willing to host, and we'll take it from there.

On our "One Day It Will Happen" list is a road trip/overnight winery and chop house visit to Kiepersol, just south of Tyler. They have cute lodging on property, and a wonderful restaurant in which to celebrate their well-regarded wines. Other wine dinners in the area also will be explored. All in good time, yes, all in good time!

To be added to the wine group email list, contact Brett Flournoy at:

Or text (214) 695-0780

See you next time, and remember....
Wine is our Raisin D'etre !!!

Each month the newsletter includes a list of teenagers in the neighborhood seeking employment; i.e. baby-sitting, yard work or pet care. With so many new people moving into the neighborhood this is a great reference for anyone in need of such a service. If you or your child is looking for a job in the neighborhood, please provide your information including name, age, telephone number, email and the job being sought. We'll include in the next and future issues of the e-newsletter.
