## February 2014

### Communication changes

For many years our neighborhood newsletter, the Brook Meadows Messenger, was published by Peel printing at no cost to the neighborhood. They sold advertising space to pay for the publication. Peel has advised Brook Meadows, and other neighborhoods in our area, they cannot sell enough advertising space to pay for the publication and ceased print and distribution effective in January 2014. In the future you will receive an electronic version of the newsletter. We encourage you to ensure we have your email address so you can receive updated and timely information about our neighborhood and our city. We also welcome your comments, input, and suggestions.

Because we know you like change, we have decided to also change our email address. In the future please contact the Board using [brookmeadowsha@gmail.com](mailto:brookmeadowsha@gmail.com) This change will allow us to broaden the monitoring of email communications and hopefully be more responsive to inbound communications. Again, it is important for you to provide accurate email contact information.
