Last Tuesday – Recap

By Brett Flournoy

Our 2021 Last Tuesday Program concluded very successfully on the Blu Crab Patio, October 26th, with strong attendance of over 20 despite the very high winds and overall turbulent weather! In fact, attendance was good every month since our relaunch in May at 54th Street Drafthouse; thanks for your attendance. As noted above we do not meet the last Tuesday of either November or December, for what we hope is an obvious reason, but fear not, we will be back and kicking in January of 2022. Additionally, as you can see in this newsletter, there are plenty of other social opportunities to keep you well connected until January. See you on the flip side! B...

Grape Nuts... Wine Club is alive and well!

Fine Wine Takes Time

By Brett Flournoy

What a rousing time the 30+ of us had on November 13th, at the home of Timothy and Jamie Strong (thanks so much for hosting!), as we sampled potential Thanksgiving wines. And what a beautiful home you have Tim and Jamie! The overall top scoring wine was Ropiteau Bourgogne Pinot Noir (non-vintage), about \$25, available around C Town. So, check your club's creds by trying it with your turkey, let us know how we did!

Our next event, as yet unscheduled, will happen around a six-month interval, so probably late Spring. The host/hostess get to help set the theme for the tasting, and we do work to keep the hosting effort from getting out of hand. If you would like to host, or if you would like to be added to our group email, just shoot me a note. ...B

The Job Seekers listing service is provided free to all Brook Meadows teenagers seeking work. Each month the newsletter includes a list of teenagers in the neighborhood seeking employment; i.e. baby-sitting, yard work or pet care. With so many new people moving into the neighborhood this is a great reference for anyone in need of such a service. If you or your child is looking for a job in the neighborhood, please provide your information including name, age, telephone number, email and the job being sought. We'll include in the next and future issues of the e-newsletter.
